Make life easier with Geopanel

✓ Easy to fit ✓ Easy to maintain ✓ Easy to clean

We all lead hectic lives and at the end of a busy day want to return to a relaxing and easy to maintain home. Geopanel interior decorative panelling is a stylish, modern convenient interior decorative wall and ceiling panelling system that is easy to fit and simple to maintain.

CHOICE OF SIZES

The standard 250mm wide panel is ideal for walls and ceilings.

The wide 1 metre panel is ideal for bathroom walls and showers to instantly create a shower cubicle.

DECORATIVE AND STYLISH

The high gloss tongue and groove PVC panels are available in a wide variety of designs and colours from classic marble to realistic woodgrain through to shimmering diamond and contemporary granite there is something for everyone.

With a choice of attractive white, silver and black trims Geopanel is perfect for all walls and ceilings in homes and offices.

EASY TO FIT
